CHURCH COSTS

Our mission at Daresbury is to offer our wedding couples a traditional, village church wedding in a beautiful setting. To ensure that this can happen smoothly and successfully, it is our policy to provide the following services:

A Verger: the Verger's role is essential for the preparation of the church in the week leading up to the wedding rehearsal and wedding day. The Verger, along with the Housekeeper, will ensure that the church is properly prepared before the rehearsal and on the wedding day itself, the heating switched on (if you have requested it) and the wedding registers set up for the ceremony. The Verger will direct people to toilets, help with disability access, deal with enquiries and generally welcome your guests and ensure that things run smoothly, thus ensuring that practical matters are attended to, so that the Vicar can focus on the couple getting married.

Cost: £65.

An Organist: our Director of Music, a professional musician, will play the processional and recessional music and accompany the hymns. Advice about music is available on our website or you can contact Claire Longstaff directly on music@daresburycofe.org.uk.

(Please note: you will not be charged for an organist if you do not have any music).

Cost: £95.

OPTIONAL EXTRAS

Choir: £200.

Bells: £225.

Church Heating: £65.

Suggested donation towards the ongoing mission of the church: £50.
