

## Wedding Fees

(for weddings taking place during the year 2021 - from 4<sup>th</sup> May 2021)

The wedding fees consist of **statutory fees** which are set nationally and **church costs** which are set by the Parochial Church Council.

### STATUTORY FEES

Marriage Service **£495**

*(This includes the reading of banns at All Saints, Daresbury)*

*(If you live outside the parish, you also need to have the banns of marriage read at your home Church of England parish church(es), which costs £46 per church...we will guide you through the process).*

*Your marriage certificate must be obtained from your local registrar of Births, Deaths & Marriages after your wedding.*

### CHURCH COSTS

Our mission at Daresbury is to offer our wedding couples a traditional, village church wedding in a beautiful setting. To ensure that this can happen smoothly and successfully, we offer the following services:

**Verger (£65):** the Verger's role is essential for the preparation of the church in the week leading up to the wedding rehearsal and wedding day. The Verger, along with the Housekeeper, will ensure that the church is properly prepared before the rehearsal and on the wedding day itself, the heating switched on (if you have requested it) and any necessary paperwork set up for the ceremony. The Verger will direct people to toilets, help with disability access, deal with enquiries and generally welcome your guests and ensure that things run smoothly, thus ensuring that practical matters are attended to, so that the Vicar can focus on the couple getting married.

**Organist (£100):** our Director of Music, a professional musician, will play the processional and recessional music and accompany the hymns. Advice about music is available on our website or you can contact our Director of Music directly on [music@daresburycofe.org.uk](mailto:music@daresburycofe.org.uk).

*(Please note: you will not be charged for an organist if you do not have any music).*
